

DIPARTIMENTO DI FARMACIA E BIOTECNOLOGIE

## JOINT MEETING OF THE UNIVERSITIES OF BOLOGNA AND WAGENINGEN

### Sharing Ideas On Teaching Biotechnology In University

Wednesday, October 17<sup>th</sup> 2018, Main Lecture Hall, via Della Beverara 123/1 Bologna.

Organizers: **Giovanni Perini** and **Marian Vermue**

#### Program

9:30. Welcome from Prof. **Santi Mario Spampinato**, Director of the Department of Pharmacy and Biotechnology

9:35. Welcome from **Giovanni Perini** Director of the Bachelor degree programs in Biotechnology and Genomics

9:40. **Marian Vermue** (Wageningen): *Overview of the BSc and MSc program Biotechnology offered at Wageningen University.*

10:25. **Giovanni Perini** (Bologna): *The BSc Programs in Biotechnology and Genomics,*

DIPARTIMENTO DI FARMACIA E BIOTECNOLOGIE

10:45. **Patrizia Brigidi** (Bologna): *The Msc program in Pharmaceutical Biotechnology*

11:00. **Stefano Ciurli** (Bologna): *The MSc program in Molecular and Industrial Biotechnology*

Break

11:3. **Sara d'Adamo** (Wageningen): *Metabolic Engineering of Microalgae.*

11:45 **Enrico Orsi** (Wageningen): *Engineering of terpenoid producing micro-organism*

12:00. **Martina Cappelletti** (Bologna): *Microbial conversion of toxic molecules into useful compounds*

12:15. **Roberto Tuberosa** (Bologna): *Genomics approaches for a sustainable cereal production*

12:30 - 13:15. Visit to the Experimental Training labs

Lunch

14:15. Pitch talks from Wageningen's and Bologna's students.

Conclusions, remarks and discussion about possible collaborative actions to enact between the two universities.
